

## Top 8 Academic All-Canadians

In 1988, CIS introduced its first Academic All-Canadians, those exceptional student-athletes who achieve an academic standing of 80% or better while playing on one of their university's varsity teams.

Among these outstanding individuals, one female and one male from each CIS regional association are selected annually as Top 8 Academic All-Canadians.

## Top 8 du Tableau d'honneur académique canadien

En 1988, SIC a rendu hommage pour la première fois aux étudiants athlètes qui maintiennent une moyenne académique de 80% et plus tout en participant au sport interuniversitaire.

Parmi ces individus exceptionnels, un étudiant féminin et un étudiant masculin provenant de chacune des quatre associations régionales de SIC sont retenus au sein du tableau d'honneur académique canadien.
