DALHOUSIE TIGERS TRACK & FIELD STAFF

PETER LORD HEAD COACH

Peter has been with the Dalhousie Tigers track and field team since the late 1980s. He has made an impressive mark in coaching. Peter is one of the CIS's most successful power and speed coaches. He has consistently developed podium athletes in power events ranging from high jump to the 300m; these have included some of the all-time CIS greats and record-holders. Peter comes by his success honestly and has turned a strong technical and theoretical background, including a master's degree from Dalhousie in 1993 for his research in plyometrics, into a successful coaching career. He still competes in the long jump and triple jump and after over 25 years in the sport, is jumping very close to his best performances. Recently, he set the Canadian master's record in triple jump.

HEATHER HENNIGAR HEAD COACH

Heather Hennigar begins her first season as head coach of the Dalhousie Tigers men's and women's cross country and middle/long distance track and field teams. Hennigar has been involved with the Tigers for over 15 years. Her involvement helped Dalhousie's women's cross country team win a CIS gold medal in 2004 and the women's track and field team secure national bronze in 2003-04 and 2004-05. In addition to her coaching success, Hennigar has also obtained individual achievements as an athlete. She won a CIS silver and gold in 2000 and 2001 respectively in the 600m event. She also captured a CIS bronze medal in the 300m in 2001. For her achievements she was named the female athlete of the year at Acadia University in 2000 and 2001. Hennigar is a Canadian record holder in the women's 4x800m and achieved a top three all-time Canadian indoor 800m performance. She has been selected to the world indoor championship team in 2004 and the silver medal winning cross country national team in 2006.

MATT SCHEFFIELD ASSISTANT COACH

Matt Sheffield joins the Tiger coaching team after five seasons as a Dal athlete. The former AUS Cross Country Rookie of the Year and Academic All-Canadian works to cultivate the culture of excellence that prevailed during his time as captain. Later in his career, Matt found success in the 10,000m winning bronze in the 2005 Canada Games and placing 6th at the 2006 Canadian Championships. He embarks on his coaching career with the same commitment he showed as an athlete.

DALHOUSIE TIGERS TRACK & FIELD

SEASON HIGHLIGHTS

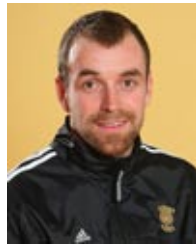

Dalhousie saw an influx of rookie talent both on the track and in the field events in the 2008-09 season. Rookie Simon Watts qualified early in the season with a 2.00m clearance in the high jump. He is followed closely by rookie pentathlete/high jumper Rob McCulloch (1.98m). Pat Quilty, the 2008 CIS silver medallist, is now attending law school at Dalhousie and reached the auto-qualifying standard of 14.38m in the triple jump at the McGill Team Challenge in Montreal. Veterans Ueli Albert (600m), Celia Peters (600m) and Russell Christie (3000m) all met qualifying standards in their events to round out efforts on the track.
